

We are Young Leaders

The United Way of Greater Knoxville's Young Leaders' Society is dedicated to providing opportunities for professional development and community engagement for the next generation of our community's philanthropic leaders.

Membership Criteria:

Anyone 21 to 45 that contributes to United Way of Greater Knoxville through their workplace campaign or individually

Membership Benefits:

Professional Development: Continuous opportunities to learn more about our community and spur professional growth through speaking engagements, lunch and learns, and leadership development events.

Service Projects: Regular opportunities to serve our United Way community partners and their programs in unique and exciting ways

Special Events: Special access to networking events with Knoxville's most influential leaders
