

UNITED WAY OF GREATER KNOXVILLE YOUNG LEADERS' SOCIETY

"We want to invest in you while you invest in our community."

United Way of Greater Knoxville brings together resources to improve the lives of people in our community by helping them achieve their potential for self-sufficiency. Through 111 programs in 51 partner agencies, we focus on the areas of Health, Education, and Financial Stability – the building blocks for a good life.

You can help us fulfill our mission by becoming a member of the Young Leaders' Society (YLS), which is open to anyone who makes a donation to United Way of Greater Knoxville and who is between the ages of 21-45. YLS members will be invited to participate in networking events, service projects, and exclusive presentations from some of the area's top corporate leaders.

For more information on the Young Leaders' Society or to sign up, email Anna Moseley at moseleya@unitedwayknox.org | 865-521-557.
